**NOC Group:** 32200— Traditional Chinese medicine practitioners and acupuncturists

## Job Details:

We are looking for a Traditional Chinese Medicine (TCM) practitioner to provide patient-centered care using acupuncture, herbal medicine, and holistic health practices. The role involves diagnosing health issues, creating personalized treatment plans, and promoting overall well-being through TCM principles. In addition, you will educate patients on lifestyle and dietary changes to enhance their health. Strong communication and a compassionate approach to patient care are essential.

## Responsibilities:

- Treating patients by administering, in chemical or herbal form, a small dosage of a remedy made from natural substances or by suggesting lifestyle changes
- Advising patients on the use of herbs for the treatment of conditions
- Providing other alternative forms of health care to patients
- Treating patients by the insertion of acupuncture needles or through stimulation techniques

## Requirements:

- **Registration by appropriate provincial and territorial authority for acupuncturists.**
- College/CEGEP
- Experience: 1 year to less than 2 years

To apply, please submit your resume [info@mindbodyshen.ca](mailto:info@mindbodyshen.ca). We thank all applicants for their interest in this position, however, only those selected for an interview will be contacted.
